E-Web Limited knows that you care how information about you is used and shared, and we appreciate your trust that we will do so carefully and sensibly. This notice describes our Privacy Policy. By visiting E-Web Limited, you are accepting the practices described in this Privacy Notice.

## **What Personal Information About Customers Does E-Web Limited gather?**

The information we learn from customers helps us personalise and continually improve your experience at E-Web Limited. Here are the types of information we gather.

### **Information You Give Us:**

We receive and store any information you enter on our web site or give us in any other way. You can choose not to provide certain information, but then you might not be able to take advantage of many of our features. We use the information that you provide for such purposes as responding to your requests and communicating with you.

### **E-mail Communications:**

To help us make e-mails more useful and interesting, we often receive a confirmation when you open e-mail from E-Web Limited if your computer supports such capabilities. If you do not want to receive e-mail or other mail from us, please adjust your account to reflect this by selecting "Unsubscribe" in the Newsletter menu.

### **Does E-Web Limited Share the Information It Receives?**

Information about our customers is an important part of our business, and we are not in the business of selling it to others. We share customer information only with the subsidiaries E-Web Limited controls and as described below.

### **Affiliated Businesses We Do Not Control:**

We work closely with our affiliated businesses. In some cases, these businesses operate stores at E-Web Limited or sell offerings to you at E-Web Limited. In other cases, we operate stores, provide services, or sell product lines jointly with these businesses. You can tell when another business is involved in your transactions, and we share customer information related to those transactions with that business.

### **Agents:**

We employ other companies and individuals to perform functions on our behalf. Examples may include fulfilling orders, delivering packages, sending postal mail and e-mail, removing repetitive information from customer lists, analysing data, providing marketing assistance, processing Credit Card payments, and providing customer service. They have access to personal information needed to perform their functions, but may not use it for other purposes.

### **Protection of E-Web Limited and Others:**

We release account and other personal information when we believe release is appropriate to comply with law; enforce or apply our Conditions of Use and other agreements; or protect the rights, property, or safety of E-Web Limited, our users, or others. This includes exchanging information with other companies and organisations for fraud protection and credit risk reduction.

### **With Your Consent:**

Other than as set out above, you will receive notice when information about you might go to third parties, and you will have an opportunity to choose not to share the information.

### **What Choices Do I Have?**

As discussed above, you can always choose not to provide information, even though it might be needed to make a purchase or to take advantage of such E-Web Limited features as Automatic Login. You can add or update certain. When you update information, we usually keep a copy of the prior version for our records.

### **Children**

E-Web Limited does not sell products or services for purchase by children.
